

# NO HASSLE TWO YEAR WARRANTY

Marathon Marine Manufacturing 1996 LTD provides a 2 year limited warrantee to the original retail purchaser of a TRUCKBOSS product. This warrantee is subject to the following terms and conditions:

## WARRANTY CONDITIONS

Marathon Marine Manufacturing 1996 LTD warrants that TRUCKBOSS manufactured products and accessories will be free from manufacturing and material defects for a period of 2 years following the original retail purchase date. This warrantee does not cover slight variations in factory applied anodizing, abrasion due to loading/unloading cargo on a TRUCKBOSS deck, UV/chemical degradation of finished surfaces or plastic components, or normal wear and tear from use. Some plastic components are designed as wear surfaces and as such will be consumed in the normal use of this product. These consumable items can be purchased through an authorized TRUCKBOSS dealer or ordered directly from TRUCKBOSS.

Marathon Marine Manufacturing 1996 LTD warrants that TRUCKBOSS deck will be free from structural defects for a period of two years from the date of purchase. This two year warrantee covers only the structural components of a TRUCKBOSS deck and does not cover hardware, electrical components, plastic caps/brackets, wear surfaces, or installation. This warrantee does not apply if structural damage is caused by overloading the deck surface in excess of the stated load capacity of the TRUCKBOSS deck or the manufacturer stated load capacity of the truck to which the TRUCKBOSS deck is mounted.

Marathon Marine Manufacturing 1996 LTD makes no claims or warranties whatsoever to a particular vehicle's ability to support rail mounted accessories without incurring damage. Material such as 3M's protective films, over-the-rail spray lining, or plastic rail caps may be used to help prevent possible paint or cosmetic damage. The load capacity of the deck applies to the TRUCKBOSS deck only; see vehicle manufacturer's specifications for rail mounted accessories.

## OWNER RESPONSIBILITIES

Incidental or consequential damage or loss of cargo or profit due to use, neglect, lack of maintenance, misuse, or abuse of the TRUCKBOSS deck is the sole responsibility of the user and excluded from any warrantee remedy. When using a TRUCKBOSS deck the extendable sides must be locked in position. All cargo should be secured to the deck surface in accordance to applicable Federal, Provincial, or State laws. All clamps and fasteners should be checked prior to each use. Anti-seize compound should be applied to all knobs to ensure long service.

## WARRANTY CLAIMS

In the event of a warranted product failure a claim may be made to Marathon Marine Manufacturing 1996 LTD and a representative of the company will inspect the product. If a manufacturing, material, or structural defect is determined to exist Marathon Marine Manufacturing 1996 LTD will, at its discretion, provide the exclusive remedy of repair or replacement of the defective component. Marathon Marine Manufacturing 1996 LTD is not responsible for any transportation costs associated with a warrantee claim.

This warrantee shall be considered void if the product is shown to have been abnormally used, misused, not maintained, or altered in any way. There is no implied warranty of merchantability or implied warranty of fitness for any particular purpose. Any such warranties are disclaimed. This written warrantee is the only warranty applicable to TRUCKBOSS products and may not be changed in any way without written authorization from an officer of Marathon Marine Manufacturing 1996 LTD.
